

Translational Medicine & Cancer Research in Delaware

(Just a 30-minute bus ride from Center City, Philadelphia)

FRIDAY, JUNE 19, 7:00am-1:30pm

(the day after [Bio International](#))

Meet Delaware Governor Jack Markell, who will welcome you to our beautiful State!

Tour state-of-the-art facilities at the University of Delaware's Science, Technology and Advanced Research (STAR) Campus.

Learn about Delaware innovations from experts at the Helen F. Graham Cancer Center at Christiana Care Health System, Incyte Corporation, and Optical Center for Applied Research at Delaware State University.

Hear about Delaware's new state-of-the-art wet lab incubators (space available to innovators in bio-science).

Governor Jack Markell's Concierge Team for international businesses will be on hand to answer questions and provide assistance.

Round trip transportation and meals provided
